

TEAM RED

(OUTRAGEOUS ATTITUDE)

The most outrageous and reckless team, Red Drivers constantly have something to prove. They'll do any test and take any dare, no matter how dangerous, and they're not happy unless they break a record. They swing from exuberant when

they succeed to morose when they fail, and they tend to have a quick temper, especially when challenged or questioned.

1. Total adrenaline junkies - looking for a thrill 2. Slapstick, prankster humour 3. Breaks the rules for fun!

HAVE YOU MET YOUR MATCH?

Can you follow the lines to find which car belongs to each driver?

A 2010 Mustang GT

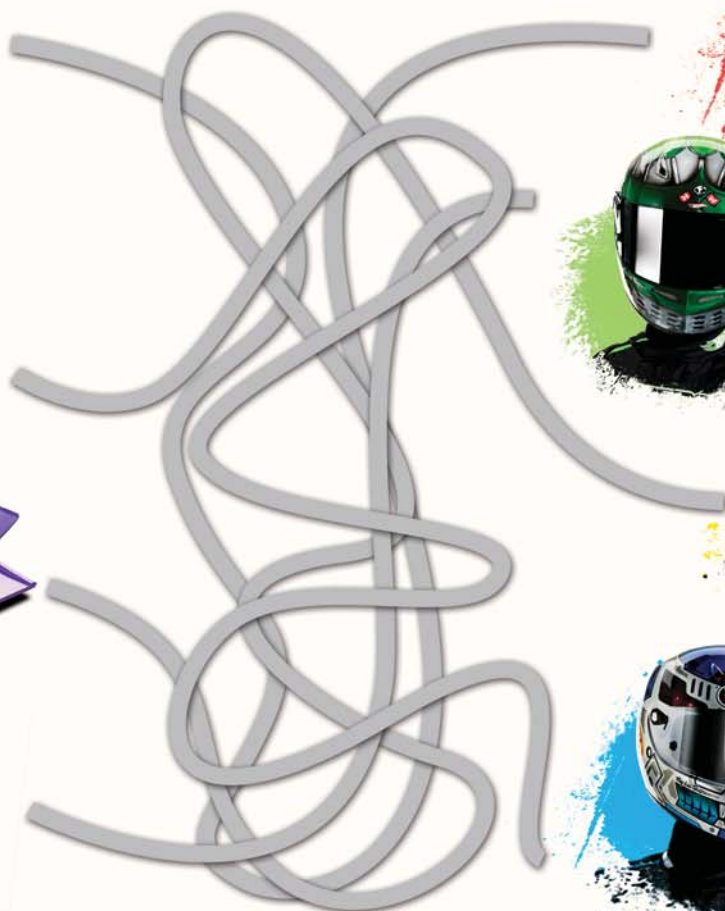

B 2008 Lancer Evolution

C Mad Manga™

D Fast Feline®

A = Red, B = Blue, C = Yellow, D = Green

TEAM GREEN (UNSTOPPABLE SPEED)

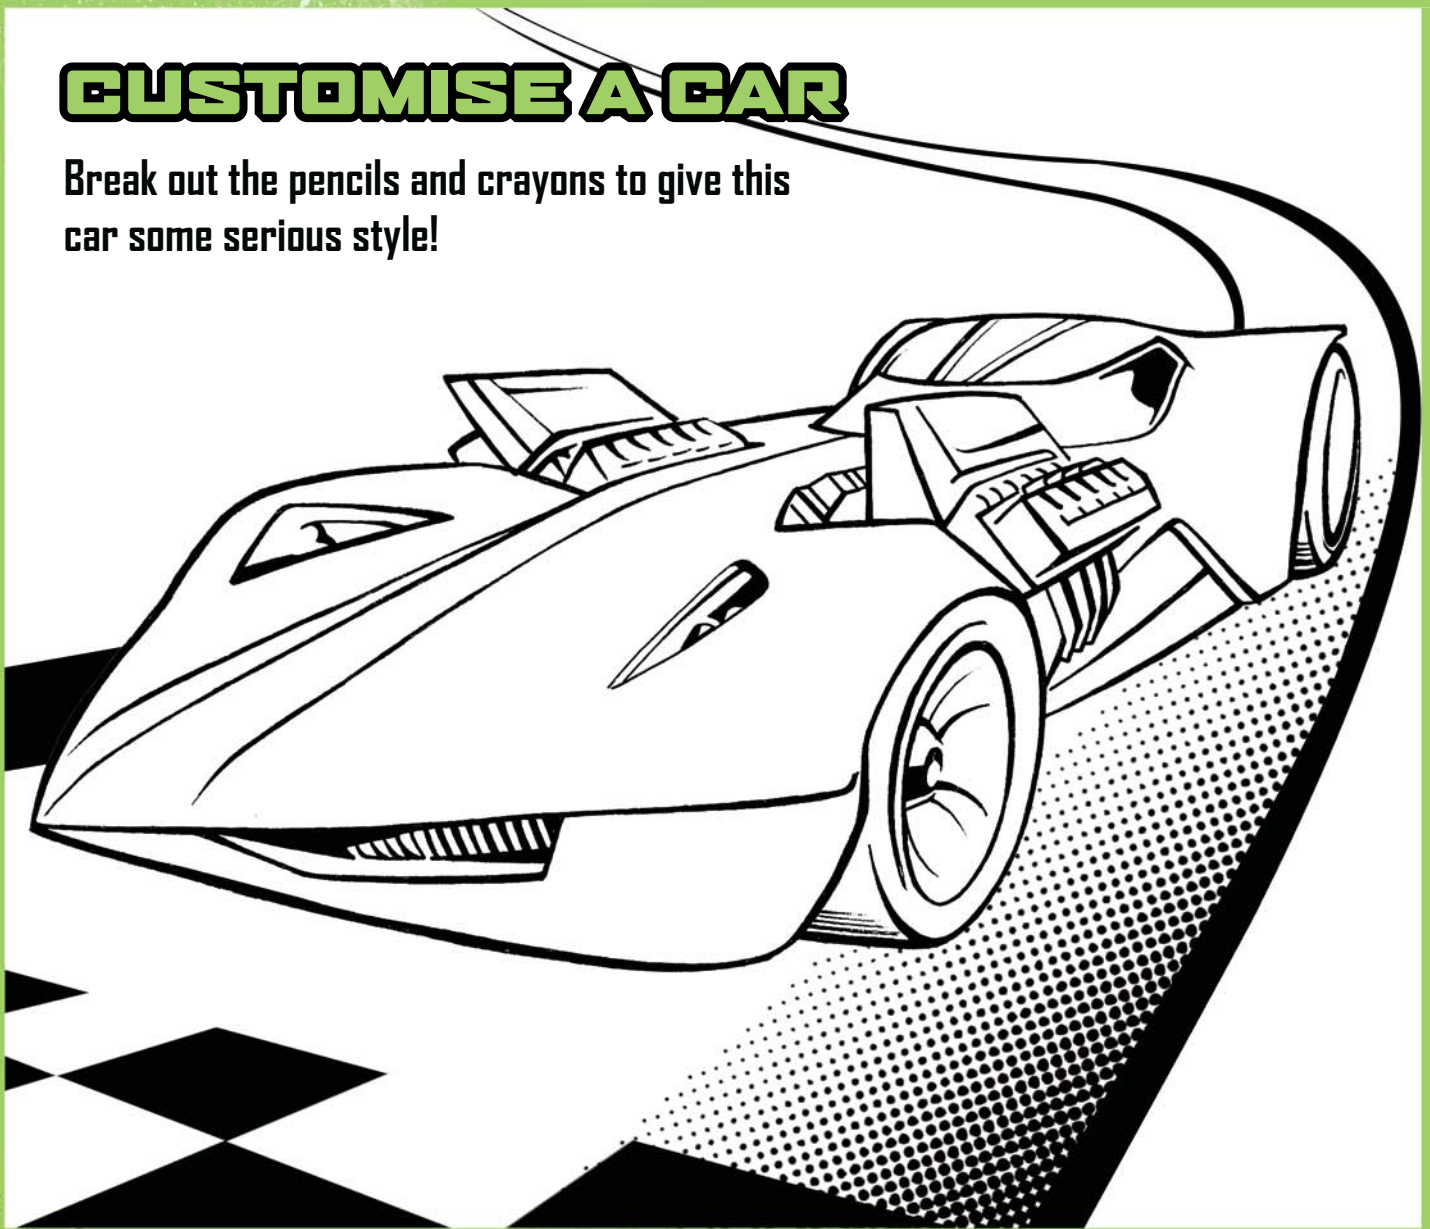

Green Drivers always find the fastest way from point A to point B, no matter what obstacles are put in their way. They think fast, never hesitate, and never lose control. Exuding cool and confidence, Green Drivers consider themselves the leaders of

Team Hot Wheels™.

1. Always calm, cool, and collected
2. Dry, clever humour
3. Bend the rules when needed

CUSTOMISE A CAR

Break out the pencils and crayons to give this car some serious style!

TEAM BLUE (PERFECT PRECISION)

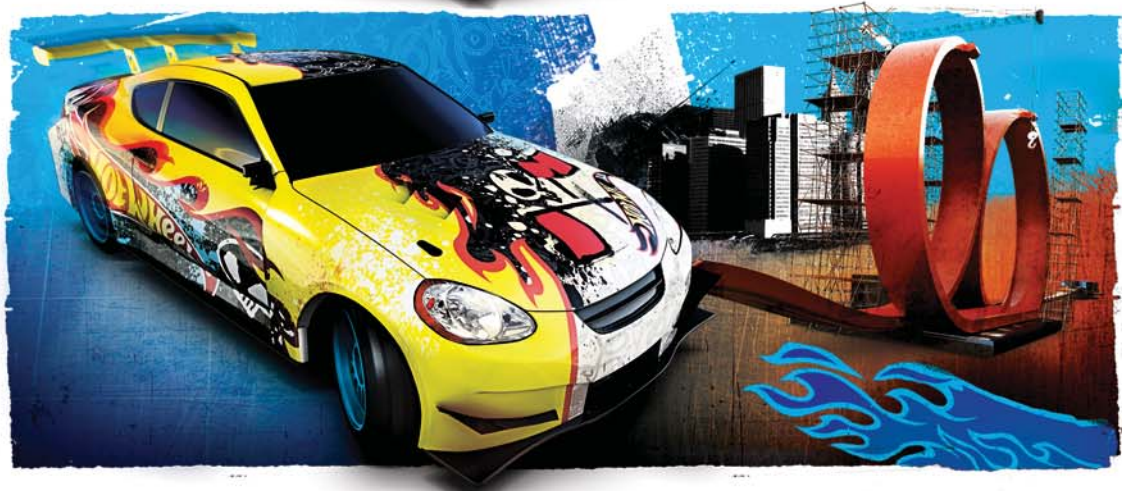

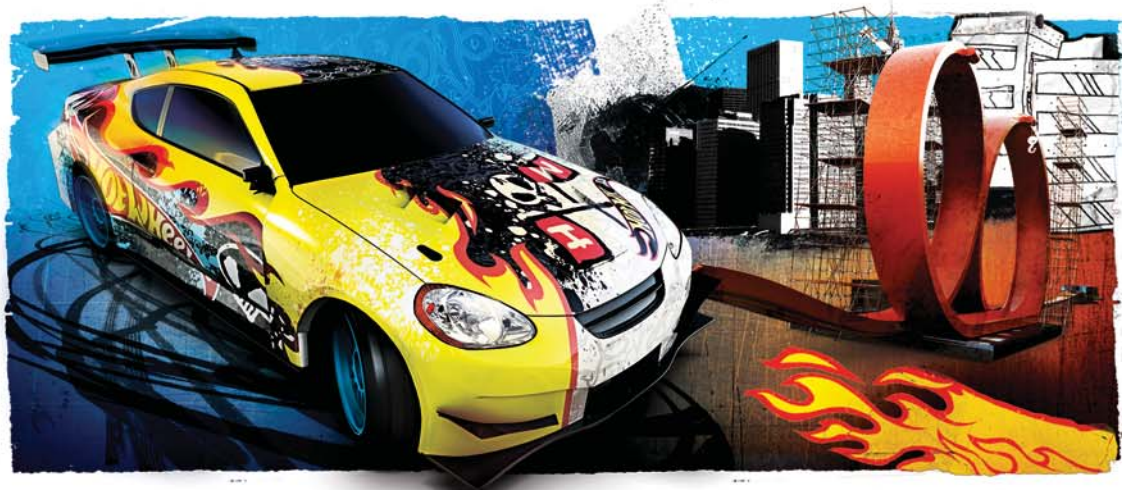

Team Blue is all about precision. The ultimate perfectionists, they will not stop until they get it exactly right – within millimeters or milliseconds. Unemotional and untiring, they are methodical and scientific about their skill. They're experts in all

the latest vehicle technology, and they know exactly how to use it to their advantage.

1. Machine-like focus and stamina, robot-like personality
2. No sense of humour
3. Lives by the rules

SPOT THE DIFFERENCE

Can you spot 5 differences between the images below?

1. Car spoiler, 2. Missing side marks, 3. Flags on car bonnet, 4. Missing buildings, 5. Flame colour

JUMP YOUR CAR THE FURTHEST!

USE YELLOW DRIVER'S TOP TIPS TO CREATE YOUR OWN PERFECT JUMP!

1. Start the track from a high object, such as a table so it plummets to the floor at a high speed.
2. Prop up the end of the track on a pile of books to create the jump.
3. Build the other side of the track on the same height books for the landing.
4. See how many of your cars you can jump. Keep adding more cars and see how far you can go.
