FEEL THE FEAR

The spooktacular gymnasium is the scene of Monster High's major sporting triumphs. Our basketball team, led by Deuce, regularly thrashes other schools on this court! We also hold fearleading practice here. Right now Cleo's looking for some new recruits. Interested?

If you want to impress Cleo, you'll need to pull out all of the stops! There are eight scary-cool frames on this page. Use them to plot out your very own monster cheer routine! Think up a clawsome set of steps, then draw one move into each panel. Good luck!
