£5 of Argos gift vouchers free when you spend £50 or more; or £10 of Argos gift vouchers free when you spend £100 or more

Offer valid between: 25/05/16 to 04/06/16

Gift card redeemable dates: 25/05/16 to 15/07/16

Gift voucher offer not available on purchases of Argos Gift Cards, e-Top ups, iTunes vouchers or gift cards from our in-store gift card displays.

Gift voucher may be redeemed in store but not on Quick Pay kiosks or over the phone. The offer is available when using High Street/Love2Shop/Provident vouchers, Bonus bonds, Easy shops, Acards, Shopportunity, Capital bonds and Extra cards. Gift voucher must be redeemed against subsequent transactions. Gift vouchers cannot be sold or transferred. Gift vouchers are only redeemable via the same method as purchase. This does not affect your statutory rights. If products are returned under the Argos 30 Day Money Back Guarantee, the gift voucher must be returned. If the voucher is not returned, the amount (£5/£10) will be deducted from the refund. The voucher cannot be used in conjunction with any other offers. Gift vouchers must be used by 15/07/16.

Note for FastTrack customers: gift vouchers will be issued following payment, via email. The voucher code you receive will only be transactional on subsequent purchases made online (e.g. fast-track orders, home delivery orders), within the validity dates (as stated above). The voucher code will be transaction via the website, mobile site and mobile & tablet apps.

FastTrack customers who make a purchase on a product-linked gift voucher promotion e.g. get a £10 gift voucher when you buy a Tablet for over £100: Customers who purchase a product which has a gift voucher offer applied to it in its own right, will receive their product-linked gift voucher on collection in-store – in addition to the voucher code (sent via email) following their FastTrack online transaction.

In effect, customers paying via FastTrack will receive two gift vouchers, one via email and one via in-store. Please note, gift vouchers are only redeemable via the same method as purchase (e.g. emailed vouchers are only transactional via digital channels: online, mobile-optimised websites, mobile & tablet apps; vouchers issued in-store are only transactional in-store).
